Navigating NIH/NCI Research Funding Opportunities: A Journey of Exploration & Understanding

Wednesday, June 28, 2023 3-4 pm EST [Register Here](#)

Kamal Datta, M.D.

Program Coordination & Scientific Review Officer
Division of Extramural Activities, NCI

Shane Woodward, MBA

Supervisory Grants Management Specialist
Office of Grants Administration, NCI

Objectives:

- 1) Familiarize yourself with the NIH/NCI research funding mechanisms and announcement types
- 2) Identify ways in which to select the right funding mechanism to support your scientific research
- 3) Learn how to connect with NIH, apply and track your application, the research and review process, and resources available through NCI.
