## Processes for requesting revisions to approved DMS plans

- Effective Oct 1, 2024, requesting revisions to approved DMS Plan depends on where the applicant is in the grant cycle.
  - [Pre-award](#)
  - [Post-award: At Time of RPPR](#)
  - [Post-award: Off-cycle requests](#)
- **Pre-award:** Applicants must use the “Data Management and Sharing Plan (DMSP) Revision” section of the **Just in Time (JIT)** in eRA Commons, to submit a revised DMS plan.

- **Post-award - at Time of RPPR:** In the RPPR module, investigators must use Section C.5.c to select “Upload Revised Data Management and Sharing Plan” and follow the instructions provided in the module.

Data Type	Has data been generated to date?	Has the data been shared?	Status of Data Sharing	Repository	Unique Identifiers/Digital Object Identifier
array (defined gene)	Yes	Yes	Shared	Data Hub	DOI:1234
type data	Yes	Yes	Shared	Data Hub	DOI:1234
Demographic Data	Yes	No	Data not yet published will share on date	Not Applicable	Not Applicable
Phenotypic and clinical data	Yes	No	Not yet expected to be shared	Not Applicable	Not Applicable

- **Post-award - Off-cycle Requests:** In the prior approval Module in eRA Commons, investigators must select “Prior Approval-DMS Request” to request changes.
